Toni Hungerford Art Classes

WATERCOLOR A-Z

Explore and experiment with ways to grow in your watercolor world. Learn a variety of techniques and add ons, even fix those old ho-hums that you've stashed away. This class is designed on principles that will help you to get off your comfort zone and relax, get past the scary part, and have fun.

Some experience in art is recommended for this class.

DRAWING MADE EASY

Learn to take a pencil for a walk - get on the paper with simplistic approaches drawing what you see and make progress. All you need is a pencil and paper to start. Come to first class. Supplies are available and also a supply list. Exciting hand outs, individual assistance, and productive critiques.
